Engagement Model

SUREKHA TECHNOLOGIES®
Caring for client's success

Fixed Cost/ Turnkey

- Best for well-defined scope and requirements
- Pre-agreed budget with limited scope creep flexibility
- Ideal for projects with clear deliverables
- Lower risk but requires detailed planning upfront
- On-shore / Off-shore

Time & Material (T&M)

- Flexible engagement with evolving requirements
- Pay as per actual effort (hourly/daily rate)
- Suitable for long-term, iterative, or Agile projects
- Higher control over project scope and changes
- On-shore / Off-shore

Support Hour Pack (Ongoing Support & Development)

- Pre-purchased block of hours for ongoing needs
- Cost-effective for continuous support & enhancements
- Response times based on SLA defined with dedicated/shared resources
- Ideal for maintenance, updates, and minor changes
