

## BIG TAIL

Start your day with a light robusta blend characterised by the flavorful streaks of cherry and offset by soothing cashew nuttiness. This is the daily companion you didn't know you were missing!

Flavour Profile: Cashew, cherry, plum, milk chocolate

## BOLD HORNS

With the richness of the fruits native to the Magundi region accompanied by sweet melodic tones, our specialty premium strong robusta will help you cruise through the day with a balance of energy and ease.

Flavour Profile: Tropical fruit, chocolate, cocoa nibs, cinnamon

## GOLDEN EMPEROR

Embodying sweet, warm, and tastefully spicy autumnal flavours, Golden Hue is a serendipitous consequence of our organic honey process, and it adds a zesty edge to every brew.

Flavour Profile: Juicy with the sensation of biting into a crisp apple, caramel, honey, a dash of spices
