

Here's a little  
about us  
before we  
get down  
to chatting  
over a  
cup of coffee!

# The finest beans

## The finest coffee experience

Most of our coffees are from our own estates in Coorg and Chickmagalur. The main estate has been with the family for the last three generations. Our coffee is grown in the midst of pepper and Coorg Mandarin which gives it those subtle flavour notes in the final cup. We use only the best of the beans in our coffees to achieve an even roast.
