

# WordLatte

*Started by twin sisters who once struggled with SAT words.*

## **Tired of memorising words**

Learning words for the SAT or GRE doesn't have to feel endless and painful.

## **Understand, don't cram**

Unlock hundreds of words with Latin & Greek roots. No more flashcards and lists.

## **Founders' story**

After traveling to 30+ countries and meeting students everywhere, Surabhi and Sugandh brewed up WordLatte.
