

# WHAT SETS US APART?

Build talent for the future with Striverra Skill Plan, LearnOps powered by Striverra L&D marketplace, and real-time Skill Insights. All in One.

## **Striverra** Plan

Empower workforce agility and readiness through Strategic Skill and Demand Planning

## **Striverra** LearnOps

Accelerate skills with a unified L&D marketplace, streamlined operations, and Smart Upskilling Investment.

## **Striverra** Insights

Empower operations with a multi-perspective skill intelligence using Unified Skills Fabric.

## UNLOCKING GROWTH

The Three Imperatives of Skills Development

### STRATEGICALLY ALIGN SKILLS WITH ORGANIZATIONAL GOALS:

- Assess current skills and align with business objectives.
- Develop targeted learning plans.
- Continuously monitor progress and adjust learning strategies.

### FACILITATE RAPID SKILL DEVELOPMENT WITH AGILITY:

- Adopt agile learning methodologies.
- Encourage cross-functional collaboration.

### ACCELERATE EFFICIENT SKILL DEPLOYMENT AND USAGE:

- Map skills to specific roles.
- Use data analytics to track skill deployment.
- Provide performance support tools and continuous reinforcement.
