ABOUT US

JACWAYS LOGISTICS LLP is a global service provider in modern supply chain management. Head Quartered in God's own Country, we provide simple solutions to our fellow Customers for their Shipping and Transport requirements with global coverage in more than 180 countries through our offices, agents and global associates.

Since its inception we provide our customers the right service and a high level of satisfaction. Jacways is operated by a team of professionals having decades of Shipping, Freight Forwarding, vessel handling expertise in India & Overseas. Their experience & expertise are always an asset for the growth & stability of the Industry.

MISSION

With our quality people and advanced information technology, we are dedicated to offering the best international and domestic shipping services and networks that enable our customers to make "All the Right Moves" in their supply chains.

We provide our customers with full control and visibility both in choosing the best-in-class service providers and in managing their own supply chains. Our reward comes from the satisfaction of our customers, their customers and associates; and we strive to become a vital link in our customer's business success.
