# WHO TRUSTED US

## **Shibi Jothy (IT Head, Sun Knowledge Inc)**

My sincere appreciation to all the developers, contributors and Techwens management. I have to especially appreciate Tanmoy & his team members for their amazing quality work! It was great working with you guys and will reach out to you for any future projects. I will highly recommend your Organization for any software development projects.

## **Cyrus Jack (CEO, LedgerGreen)**

We partnered with Techwens Software Pvt Ltd to implement an IoT-driver in our factory, and I must say, the results have been transformative. The streamlined our operations in ways we didn't think were possible.

## **Edward Evaldi (MD, TimeBit Technologies)**

We did hire techwens for one of our complex project which is to automate our daily production schedule & building sustainable CRM solution to provide timely supplies to our customers and maintain our company's reputation. I would like to congratulate as well as like to showing heartfelt thanks to complete the project with utmost professionalism.

## **Alex Stojkovic (CMO, NCI Canada Inc)**

I have taken the services of production automation, factory ERP & Payroll softwares from Techwens, I would like to appreciate them for the way they have provided me the solutions which turned out all of my problems into a proper systematic approach and highly result oriented.
