

# A Centre of Excellence for Advanced Learning in Applied Biosciences

Founded by Biocon in 2013 as a CSR initiative, Biocon Academy endeavours to transform raw talent in India into skillful professionals by offering industry-oriented certificate programs with an international curriculum.

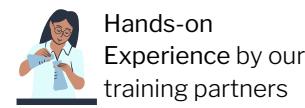

## FOUR PILLAR TRAINING MODEL

Application Oriented Training by our educational partners

Live Experiential Learning facilitated by Subject Matter Experts of Biocon Group in state-of-the-art industrial facilities

Hands-on Experience by our training partners

Campus-to-Corporate Professional Skill Development by external and in-house trainers

CAPS

## BIOCON KGI CERTIFICATE PROGRAM IN BIOSCIENCES

- 18-week full-time program in partnership with Keck Graduate Institute, California
- Application-based curriculum delivered by renowned faculty from KGI
- Face-to-Face interaction with renowned Subject Matter Experts from Biocon, Biocon Biologics, Syngene, other Biotech industries, and Academia
- Experiential learning in Production, R&D, QA, QC, QC Microbiology, and Regulatory Sciences through functional visits to Biocon Group labs/facilities
- Case Study Discussions, Assignments, and Project-Based Learning
- Hands-on training on 'Lab Scale & Pilot Scale Fermentation' at BioZeen and 'Molecular Biotechnology' Training at Thermo Fisher Scientific
- Professional skills development and personal grooming in weekly training sessions

## BIOCON RAMAIAH CERTIFICATE PROGRAM IN QUALITY CONTROL ANALYTICAL

- 8-week full-time program in partnership with Ramaiah College of Arts, Science, and Commerce, Bangalore
- Experienced faculty from Biocon Academy and Ramaiah
- Experiential learning on the Regulatory aspects and Instrumentation in QC through functional visits to Biocon facilities
- Hands-on training in advanced QC equipment at Syngene CAPS facilities
- Campus-to-corporate training

## BITS BIOCON CERTIFICATE PROGRAM IN APPLIED INDUSTRIAL MICROBIOLOGY

- 8-week full-time program in partnership with BITS, Pilani
- Experiential learning on various microbiology topics through functional visits to Quality Control Microbiology labs of Biocon Biologics and Biocon
- Hands-on training on microbiology techniques at Merck MAT lab
- Mentorship by industry experts and experienced faculty from Biocon Academy
- Case Study Discussions, Student Presentations and GMP Training

## Vision

To become a recognized center for advanced learning in Biosciences that will provide the required proficiency for enhanced career prospects for Biotechnology and Engineering graduates.

## Mission

To train and develop Industry ready talent for the Biopharma sector to enable global competitiveness.

60 – 75% Scholarship from Biocon Group CSR funds

100% Interview Opportunities in Leading Biopharma / Biotech Companies

## BIOCON JSS AHER CERTIFICATE PROGRAM IN GLOBAL REGULATORY AFFAIRS

- 16-week full-time program in partnership with JSS Academy of Higher Education & Research, Mysuru
- Application based curriculum delivered by the renowned faculty from JSS AHER, Mysuru
- Hands-on training including PharmaReady- NJ, Glova- Blr, CDSCO-New Delhi in JSS Hospital-Mysuru
- Subject Matter Expert's guidance and mentorship from the Regulatory departments of Biocon Group
- Campus-to-corporate training

## SYNGENE RAMAIAH CERTIFICATE PROGRAM IN STERILE MANUFACTURING

- 16-week full-time program in partnership with Ramaiah College of Arts, Science, and Commerce, Bangalore
- Mentorship by industry experts and experienced faculty from Biocon Academy
- Hands-on training in various sterilization methods by BioZeen
- Functional visits to state-of-the-art facilities at Syngene International
- Application-oriented teaching by MS Ramaiah's experienced faculty
- Campus-to-corporate training
