Chariot New York is the ultimate destination for gourmet coffee. We exist because we have a lifelong passion for coffee that we have fostered & maintained. We love good coffee, and we're sure our customers love it as well. We offer premium coffee from around the world, expertly roasted and brewed. Every day, we strive to make the best-tasting coffee possible. In this process, we collaborate with dedicated and passionate individuals for the pursuit of great coffee. Our goal has always been the same: to introduce our customers to delicious & high-quality coffee. Taste the Aroma in Every Sip with Chariot.

# INSTANT COFFEE

**Arabica Rich Aroma** Instant Coffee offers a powerful aroma and a mild after taste. It makes a notable and bold statement by being full-flavored, down-to-earth, and full-bodied.

**Agglomerated coffee** is prepared from spray-dried coffee with the process of adding steam and water which further converts to granulated form. It gives a combined taste of buttery with balanced thickness.

**Espresso Blend** Instant Coffee is 100% Pure Granulated Coffee that offers the authentic taste of coffee in every sip with the perfect blend of flavor and aroma. It offers an exquisite taste of artisan coffee.

**Gold blend** Rich coffee is roasted to perfection to provide a rich and aromatic taste in every sip, it is exclusively brewed for coffee connoisseurs to make them feel rejuvenated.
