

## Vayu Assets Pvt Ltd

### Company Profile

**Company name:** VAYU ASSETS Pvt Ltd.

**Office Location:** Bengaluru, Karnataka, India

### Brief Company Overview

Vayu Assets Pvt Ltd. is a greenfield company established in 2023 which is setting up a High Density Interconnect(HDI) Printed Circuit Board(PCB) & Semiconductor Testing Boards manufacturing unit in Chamarajanagar, Karnataka. Our project was cleared by the State High Level Cabinet Committee, chaired by the Honourable Chief Minister, Shri Siddaramaiah on October 24,2025. We are scheduled to begin construction in Q2,2026 and commence commercial operations in Q1, 2028.

**Technology Partner:** Ace Tech Circuit Co. Ltd., Republic of Korea.

**Technology Consultant:** Mr Bohyun Kim, Republic of Korea.

### Planned Product Offerings

- Manufacturing of HDI PCBs
- Production of high-layer multilayer PCBs
- Manufacture Semiconductor testing boards like probe cards, Burn-in boards etc.
- Full-service model: from prototypes to high-volume production

### We are looking to connect with:

- Cleanroom providers
- EPC Contractors
- Plant layout designers/consultants
- Zero Liquid Discharge(ZLD) design and construction providers.
- PCB raw material suppliers
- Equipment manufacturers for PCB process lines
- Companies interested in sourcing HDI PCBs and Semiconductor Testing Boards in the future.
