

# HCO & Co., Chartered Accountants

## You too deserve a Happy Journey

We know the most important thing to you is making your business a success. And we know you probably don't have the time or expertise to tackle some of the complexities that come with it.

That's where we step in. Our knowledge is as broad as our clients' needs. We offer a range of core services, across a spectrum of sectors, to enhance every aspect of business performance.

At **HCO & Co.**, we have a simple aim: to use our experience and expertise to help you achieve success. We know the challenges you can face, and sometimes we see opportunities you might not.

# Why clients love us?

We don't believe in 'off-the-shelf' solutions, we believe in taking the time to completely understand you, your business and your goals. Then, we can tailor our solutions to your individual needs and give you the widest levels of help, service and support. Our refreshingly creative way of looking at challenges and seizing opportunities means we form long-lasting relationships with our clients.

## Working with HCO & Co., offers the following benefits:

<b>Simplicity</b>  An ability for management to focus personnel and capital resources on the core operations of the business.	<b>Accurate reporting</b>  Accurate, transparent and insightful management and statutory reports on a timely basis.	<b>Knowledge and experience</b>  A team that is up to speed with changes in Australia's highly dynamic statutory environment.
<b>Controls and governance</b>  Improved controls, corporate governance and data security, because of our internal structures (separation of duties), standardized internal procedures and information technology systems.	<b>Cost benefits</b>  Our leveraged solution and the capital infrastructure we provide deliver great value, while the quality of our reporting and document management generally results in optimal audit fees.	<b>Document management</b>  Consistent and orderly maintenance of the entity's physical and electronic records in a safe and secure environment.
